MISSIONS

Juan Lambarria's nephew Abiud de Lira was killed in a motorcycle accident on September 3 of this year. His local church (Iglesia Bautista Betesda) will be hosting an outreach event to young men in their community who own motorcycles. The 30 young men will be part of a worship service in which the gospel will be clearly presented and then given a gift of a motorcycle helmet at the conclusion of the service. Our Latin America Ministry Team has met and considered this opportunity and would like to extend the offer to our small groups to participate in an offering to help this church fund the helmets. If your group would like to participate in this outreach opportunity in Mexico, the business office will be receiving gifts for helmets which will cost \$65 each. Feel free to help with a gift for part of a helmet, a full helmet, or multiple helmets as your class prefers. Gifts will be received through December 15, 2020.

FIRST GEN CARE

THE ELEPHANT IN THE ROOM - December 6th

Over the past several months, it has become apparent that there are a number of our members who are dealing with caregiving issues for a spouse or family member suffering from memory care issues. We want to host a very special ministry time where we discuss the issues, provide encouraging support, and minister to you who are caregivers in this journey. We invite you to join us on Sunday afternoon, December 6 from 1:30-3:30p.m. in The Mill for this time together. We have entitled the gathering, "The Elephant in the Room," as we will be directly addressing issues, emotions, and solutions for those involved in memory care for family members. Please plan on joining with us for this ministry opportunity. Please RSVP to pamella@thewoodlandsfirst.org if you are planning to attend so we can have appropriate snacks, refreshments, etc.

Looking forward to being together on the 6th!
